Dear Board Members:

Enclosed you will find a record of the actions taken at our Board Meeting of Sept. 3, 2015.

Board Members Present included: Roy Lustig, Anne Steinhart, Jack Schillinger, Marianne Bennett and Silvia Calderon.

Staff Present included: Dr. Joseph Aniello, Dr. Debbie Terenzio, Dr. Leigh Kapps, Linda Gluck, Makeesha Coleman, BettyRodriguez, Evelyn Morales, Grace Bracamonte and Maria Gonzalez.

The Meeting was opened at 12:10 p.m.

Actions Taken:

1) The minutes of the meeting of June 3, 2015 were presented and accepted (Motion- Anne Steinhart/Second – Jack Schillinger) (Vote 5-0).

2) There were no Public Comments.

3) The Financial Report was given by Dr. Joseph Aniello. The Financial Statement for month ending July 31, 2015 was presented. There is very little activity in July since the school year starts in August. There was a lengthy discussion of the problems we encounter in understanding the actual funding formulas from DOE especially in light of the fact that the statements accompanying the payments are not technically correct.

4) The Audit for FYE 2015 was presented and accepted. It was a very successful year financially. We had a surplus of $100,000. Our net assets are now $252,000. (Motion – Jack Schillinger/Second – Anne Steinhart) (Vote 5-0).

5) The Budget for Year 2015-2016 was as previously presented. The Budget is approximately $2,100,000 with a projected surplus of $19,000. We are serving approximately the same number of students as last year. (Motion – Marianne Bennett/Second – Jack Schillinger) (Vote 5-0).
6) Makeesha Coleman gave the Principal's Report. She noted our current enrollment is 148 students. We have increased the teacher assistance salaries by 50 cents per hour. We are also structuring a small salary increase for teachers and other staff based on performance.

7) Dr. Leigh Kapps gave the Executive Director's Report. She noted that enrollment to start the year was much more than last year. We are having the same problem we have every year, we lose teachers a week or so before school starts as the school system offers them last minute positions and they have to start immediately. We are trying to cut down the cost of transportation with one less bus. We will see if this works out.

8) Approvals were given for out of field teachers. Tania Aranda and Dora Gervasi. Approval was given for ESOL for Dora Gervasi. (Motion-Jack Schillinger/Second-Marianne Bennett) (Vote 5-0).

9) It was noted that our Lease at North Shore is extended for ten more years.

10) Our next meeting will be Dec. 8, 2015 at noon at 1411 NW 14 Avenue, Miami, FL

11) The meeting adjourned at 1:00 p.m.

Dear Board Members:

Enclosed you will find a record of the actions taken at our Board Meeting of Dec. 8, 2015.

Board Members Present included: Roy Lustig, Jack Schillinger and Silvia Calderon.

Staff Present included: Dr. Joseph Aniello, Dr. Debbie Terenzio, Dr. Leigh Kapps, Linda Gluck, Makeesha Coleman, Grace Bracamonte, Evelyn Morales, Betty Rodriguez and Maria Gonzalez.

The Meeting was opened at 12:10 p.m.

**Actions Taken:**

1) The minutes of the meeting of Sept. 3, 2015 were accepted as presented (Motion-Jack Schillinger/Second – Silvia Calderon) (Vote 3-0).

2) There were no Public Comments.

3) The Financial Report for month ending Oct. 31, 2015 was given by Dr. Joseph Aniello. We have an actual rev. over exp. by $79,000. This is $44,000 better than planned Budget. This is resultant of having very little expense in July, as school was not open yet and a slightly better attendance than expected to date. There was discussion as to attendance perhaps dropping slightly as we have had a few students move, etc. However, there is also a question as to if we are getting properly funded. There are a number of potential discrepancies in levels of students and also the State published Rates versus what we are getting from the local DOE.

4) Makeesha Coleman gave the Principal’s report. We recently had an FTE Audit. The first one in some four years. This is routine, we did very well. Auditor suggested that, although they had no control of it but because of the level of care our students require, we need to be paid more. We had one minor error and may have to repay approximately $6,000.
5) Dr. Leigh Kapps, gave the Executive Director's report. She noted that we are serving 148 students which is at the anticipated level for the first semester. However, the goal level for next semester is 152 which we may not make due to recent student movement.

6) There was a review and approval by the Board of Christina McMahon for out of field and ESOL (Motion-Jack Schilling/Second-Silvia Calderon). (Vote 3-0)

7) The Board also approved the District's Standard Student Attire Policy and the Performance Accountability Form for a financial supplement payment. (Motion Silvia Calderon/Second-Jack Schilling) (Vote 3-0).

8) Our next meeting will be Thursday, March 10, 2016 at the Civic Center location.

9) The meeting adjourned at 12:50 p.m.

We have a savings of $83,000 in vacant positions (which mostly have been filled to date). Also our operating expenses are under to Budget by $41,000 due to the fact that we budgeted transportation for twelve months but there is none in July and limited in August and December. (Motion-Jeremy Steinhart/Second-Silvia Calderon) (Vote 4-0).

4) Makeesha Coleman gave the Principal’s Report. She noted that our Matrix Levels for our Students have been artificially low in the past but we are getting them corrected thus the reason we are so close to our budgeted revenue projections. 12) It was noted that we are changing our location for Board Meetings to the Miami Central Administration Building in Hialeah, as it has the space available and the Miami Building is too small.

13) Our next meeting will be our Annual Meeting and be held at noon at the UCP Miami Central Administration Building in Hialeah.

14) The meeting adjourned at 12:55 pm.
